PRO GAME TABLES

Congratulations on your purchase of the Fat Cat™ Aluminum Pockey™ 2 in 1 Gametable!

This manual is to instruct you during the assembly of your new table. Four people are required for some steps.

Careful handling of all parts during assembly will ensure many years of enjoyment!

WARNING: Changing of game should be done under adult supervision.

Rotating table may pose a finger pinching hazard for young children. Please exercise caution.

Never open fan compartment while fan is running. To do so may cause serious injury.

Careful handling of all parts during assembly will ensure many years of enjoyment!

PRO TIP

Arrange all of your tools before you begin assembly.

TOOLS

Assembly of the Pockey™ 2 in 1 Gametable requires the following common tools:

- Phillips screwdriver
- Wrench (included)
- Level

Assembling Your Aluminum Pockey™ 2 in 1 Gametable!

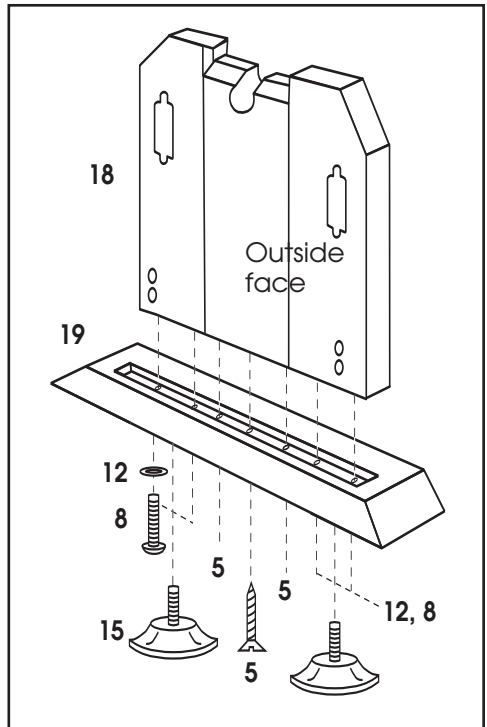

STEP 1. Pedestal Assembly

Carefully remove two (#18) pedestals, two (#19) pedestal supports, four (#15) levelers, eight (#8) $\frac{1}{2}$ " Allen bolts, eight (#12) $\frac{7}{16}$ " washers, and three (#5) $1\frac{1}{2}$ " screws from packaging. Insert levelers into pre-drilled holes in bottom of bases and secure part way.

Insert pedestals into bases as shown, and secure each with three (#5) $1\frac{1}{2}$ " flat head screws and four (#8) $\frac{1}{2}$ " Allen bolts inserted through four (#12) $\frac{7}{16}$ " washers.

STEP 2. Attaching the Table Locks

Attach two (#16) locks to outside of each pedestal using (#13) $1\frac{1}{2}$ " round head screws and (#10) $\frac{5}{16}$ " washer.

STEP 3. Assembling the Base

With the help of another person, loosely attach (#17) side rails to the pedestals using (#4) $\frac{5}{16}$ " washers, (#3) $2\frac{1}{2}$ " hex bolts and (#14) bolt stop as shown.

On inside of side rail secure bolt stop with (#1) $\frac{5}{16}$ " hex bolt and large (#11) washer.

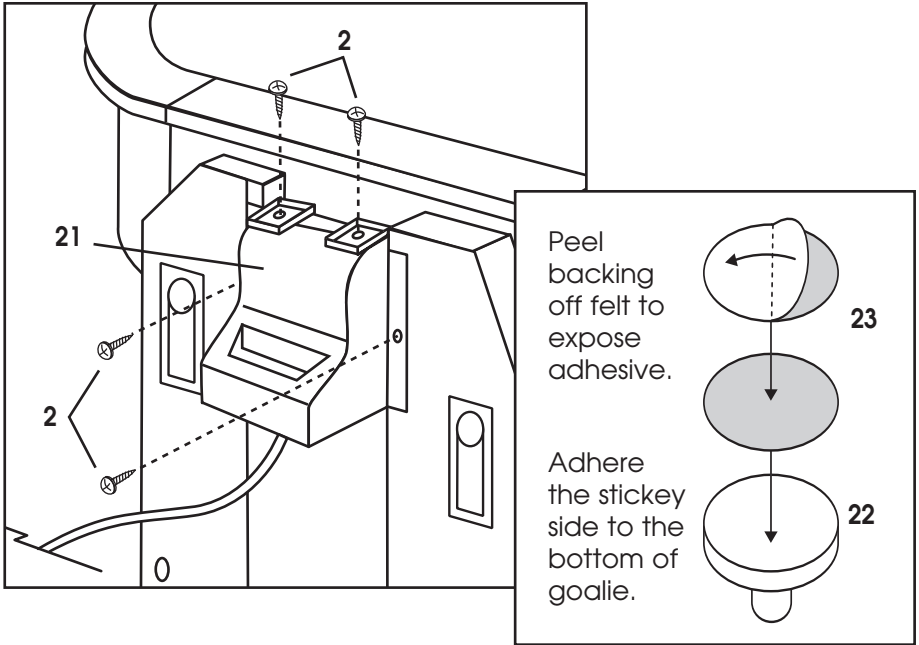

STEP 4. Attach the Rotating Table Top

Slide two (#7) washers, one (#6) hex nut and one more (#7) washer onto (#9) bolt. Insert bolt into pre-drilled hole at end of (#20) table top. Repeat for other end. With the help of three other people, lift the table top and rest it in the center groove on the top of each pedestal. The pedestal should rest between the first two (#7) washers.

STEP 5. Attaching the Puck Catchers

Align (#21) puck catcher with predrilled holes on each end of playing table and secure to pedestal with (#2) $\frac{1}{2}$ " round head screws. Run the power cord through the puck catcher.

STEP 6. Adjust Levelers

With the help of another person, turn each leveler until table rests level to the floor. Check with a level placed cross-wise and length-wise on table top. Readjust levelers as necessary.

STEP 7. Assembling Goalies

Remove and discard sticky backer from (#23) goalie felt sticker and apply to (#22) goalie.

You are now ready to play!
